We Do Things Differently For You

Fusion and Traditional Chinese Confinement Meal

We serve confinement food ingredients in traditional Chinese and fusion styles to keep your meals interesting.

Customisable Based on Meal Preference

You can opt out of certain food ingredients based on your meal preference*.

Well-Balanced Meals to Support Postpartum Nutritional Needs

Our meals are well-balanced with staples, vegetables, and protein to support mothers' nutritional needs.

Breastfeeding-friendly Menu to Support Milk Supply

We use lactogenic ingredients like green papaya, fenugreek and more in our meals to support your breast milk supply.

Herbal Soups Reviewed by Ma Kuang TCM

All herbal soups on our menu are reviewed by Ma Kuang TCM* to promote recovery and revitalise the body.

*leading TCM clinic and healthcare services in Singapore

Aiden Li

"What I like about Tian Wei is:

1. The **convenience** as they delivery pretty on time
2. **Great variety** of dishes and herbal soup that helps my wife to recover
3. **Best of all, good taste.**"

Phyllis Ong-Vocalan

"Team at Tian Wei is **very nice** as they will also make **follow up calls** to check for any feedback... Definitely will **recommend to my friends.**"

Jeannie Pang

"Ordered the **28 days** lunch and dinner menu, **food has been great** so far and **not repetitive.**"
